Subject: Internship Testimonial – Ms. Marichetty Gnanisha

To Whom It May Concern,

I am delighted to recommend Gnanisha ("Nisha"), who completed her internship with the Business Intelligence team at Virtuos Holdings Pte Ltd.

Throughout her internship, Nisha consistently demonstrated a strong eagerness to learn, adaptability, and professionalism in carrying out her responsibilities. She quickly grasped new concepts and showed the ability to work effectively both independently and collaboratively within the team environment.

One of Nisha's notable strengths was her ability to learn rapidly and apply new knowledge effectively. During her internship, she contributed to improving the efficiency of an AI Agent solution, where her work helped enhance the model's accuracy by approximately 50%. Her analytical mindset, curiosity, and initiative enabled her to make meaningful contributions within a relatively short period of time.

Beyond her technical contributions, Nisha was dependable, proactive, and highly receptive to feedback. She approached challenges with maturity, maintained a positive attitude throughout her internship, and consistently demonstrated a strong sense of ownership in her work. Her collaborative nature and willingness to support the team made her a valued member of the Business Intelligence team.

I am confident that Nisha has the capability and potential to excel in her future academic and professional endeavours. I would not hesitate to recommend her for any opportunity she chooses to pursue and believe she will continue to make valuable contributions wherever she goes.

Please feel free to contact me should you require any further information.

Sincerely,
Chng Wei Yang
Senior BI Developer
Virtuos Holdings Pte Ltd
